Congratulations to Ashleigh Pearse for being selected to attend the National Youth Science Forum to be held in Canberra in January 2009. This is a prestigious event and we are delighted that the College has again been successful in having an outstanding candidate. I would like to congratulate all our students who applied for the program but unfortunately only a limited number are able to access the forum each year. We are very proud of all the students who have represented the College in the National Youth Science Forum over the last four years and we are grateful for the assistance and support that the College receives from the Echuca Moama Rotary Club.

As the end of term approaches the College is in full swing in preparation for term 4 and 2010. Before we get into this next period we have our very important Parent/Teacher interviews next Wednesday 16th September. The interviews start at 5pm on the Wednesday and run until 8pm. Term 3 Interim Reports will be available from the Year 7 Neighbourhood (next to the Administration building) and all Parent/Teacher interviews will be conducted at College Drive. The appointment sheets are attached to the newsletter.

Another event to happen just before our last newsletter was our athletics carnival. This year we held the event at College Drive oval in bright sunshine but with cold winds. The enthusiasm of all competitors was outstanding and the behaviour of our students throughout the day was excellent. Congratulations to Perricoota on winning the carnival for the second year in a row and congratulations to all the members of the College community on a wonderful day of sport and fun. Special thanks to Ms Ogden, Ms Bree Bennett, Mrs Shirley and the sports team for all their hard work.

The Regional Final of the Murray River Culinary Challenge was run and won last week at BRIT by Sarah Hore and Matthew Brazier from Echuca College. In the finals, students worked in pairs to produce a three course meal for four serves using predominantly local produce. The aim of the challenge is to link schools and students with industry and promote VET in schools. The Culinary Challenge also allows colleges along the Murray to highlight career opportunities in hospitality. The Echuca students will now represent the Echuca region at the Grand Final in Mildura on Monday 14th September. I would like to congratulate all of the competitors on their fantastic performance. All students were great ambassadors for their schools. Thank you to everyone at BRIT for hosting a wonderful afternoon. Thanks also to those school representatives that came along to support their students.

Congratulations to the Beacon Foundation for yet another successful ‘Mock Interviews’ program last week at Echuca College. Mock interviews give our young people a chance to discuss their career options with members of the business community, while experiencing a job interview. There was an impressive range of interviewers and their feedback has been so positive, reflecting the importance placed on this program by both students and teachers. Our Pathways Team of Mr. Webb and Ms Roberts are now preparing for a more formal interview program, where 25 Year 10 students will participate in interviews conducted with local employers at the Quality Inn Port of Echuca. The Pathways Team will be selecting/nominating/inviting students who they believe will benefit from this highly interactive experience. Core components of the program are: confidence, employer expectations, personal presentation, manners and etiquette and communication.
Just after our last newsletter the College held two debutante balls at the Rich River Golf Club. Over the Friday and Saturday evenings 36 debutantes were presented to the official parties and the College Community. The move away from traditional dance styles to the Mambo, Tango and Merengue made for a very entertaining performance from the debutantes and their partners. Students, parents, friends and staff had very enjoyable evenings and I would like to thank and acknowledge the great work of Joy Mitchell, Helen Simpson, Tracey Abbott and Kaye Kennaugh. Kate Hatfield again did a great job in training and preparing the students for each of the dances. I would also like to thank our College Captains and staff members who liaised with parents and students to ensure the evenings were a success. Well done to all those involved in this year’s Debutante Balls.

In the last Newsletter I mentioned the importance of completing the DEECD (Department of Education and Early Childhood Development) Parent Opinion Survey. The 2009 Parent Opinion Survey has now been distributed to our families. All surveys are confidential and are processed in Melbourne and not by the College. Again, it is very important that we get a 100% return on our surveys so we can improve our work and development of our young people at Echuca College.

In today’s newsletter we have included a very important notice about four of our EDVET certificates for next year. Students considering Electrical, Plumbing, Hairdressing and Beauty certificates should read this notice carefully and contact the College if they require further information.

Chris Eeles
College Principal

Course Selections 2010
A short reminder to all parents and students that course selection sheets for next year should be completed and returned to the College for processing. Subject selections for next year are well on the way in preparation for Step-Up program in November.

Murray River Culinary Challenge
Last Tuesday I had the pleasure to see two of our Year 11 students represent our College in the Murray River Culinary Challenge at BRIT. Sarah Hore and Matt Brazier were our representatives for the challenge against two students from St. Joseph’s College. Matt and Sarah narrowly won the challenge on a count back and will now represent the region in Mildura next week. Congratulations to Sarah and Matt and we wish them all the best for the final next week.

Year 10 “Polish” Day
A group of 20 Year 10 students were involved in the Beacon Foundation Polish day at College Drive Campus last Friday. Once again I had the privilege to attend a lunch with these students and it was outstanding to see the effect that this day had on our students. Students learnt about etiquette and how to present themselves in interviews. The skills learnt will be invaluable for the future directions of our students. A big thank you to Mr. Webb and Ms. Roberts and the Year 11 girls that catered for the day.

Year 12 VTAC Applications

A reminder to all Year 12 students and parents that you should be preparing VTAC applications and early entry applications now. Most early entries need to be in by the end of term. Please see Mr. Webb or Ms. Roberts for more information in regard to the processing of applications.

Karl Stenning & Chris Kelly
Campus Principals’

VCE English Examination Revision
All year 12 students are required to attend vital English exam preparation with Lecturer Ross Huggard. The cost is $5 payable to the Crofton St general office by 17th September.

Event Details
Date: Wednesday 23rd September, 2009
Where: Echuca College, College Drive, Echuca.
Time: 9.15-1.05 pm
Lecturer: Ross Huggard
Format:
9.15-10.45 Exam (inc Language Analysis)
10.45-11.00 Break
11.00-12.00 Contexts
12.05-1.05 Texts
Contact Garry Salisbury at Echuca College (54823366) for further information.
Year 7 News

We have had the last of our Transition visits from the grade 5/6 students. The year 7 students welcoming and helping the students through the activities did a fantastic job. Well done to all of them.

Year 7’s first athletics day was a success with students dressing in community colours and having fun. There were quite a few records broken and there was perfect weather for the day.

In Science, students have been studying Space and there have been some brilliant assignments produced including quizzes, tour guide presentations, profile cards and models.

Animals are the focus in LOTE. Do your year 7 students know which animals these are? Harimau, Orang utan, Badak, Kancil, Ikan.

Tracey Burton

Year 8 News

On the 26th of August, all Year 8 North students travelled to Torrumbarry for our MESHH subjects. The things we studied there were: the weir, the fish ladder, the lock, history, animals and measurement.

An activity I participated in was Humanities, which involved learning about the weir, lock and fish ladder. Alan gave us a tour around the weir and told us about how the separating process worked, dividing the river into two.

In Maths we did lots of interesting measuring and size activities which included finding the height of a tree and the area of 2 leaves. I thought overall it was a good way of making you think outside the square.

English was a great part because you learnt so much history about the weir and other subjects related to the weir. It was a great way to take notes because you could take the notes back to school.

Overall, I had a fantastic day and I know the next year 8’s will to.

Kassidy Sellings
Year 8T6

Year 9 News

Selections for Year 10 have been completed. Many students have had appointments with Mr Webb and Miss Roberts to discuss their pathways and subject selection. A large number of students attended both the information night at Echuca College and also the VET information nights. All students are aware of making choices that will challenge them, but also keep a range of options open.

Primary School sports

A large number of Year 9 students have been very supportive of Echuca primary schools. Students have umpired netball and football over the entire season, including finals on Friday afternoons. At 208 sports there were students helping with high jump, triple jump and in the canteen. Mr Hon was very pleased to see Echuca College students there.

Choices Program

The boys in the Choices program with Greg Calloway have been very busy repairing small engines for a variety of uses.

Pat Schramm
Year 9 Team

VOCATIONAL EDUCATION & TRAINING

New VET Certificates in 2010 @ Echuca College

An important note for parents & students regarding the new VET certificates that are being offered by EDVET @ Echuca College. The Certificates listed below will not give students any credits towards their Unit 3/4 (Yr 12) level at VCE, they will gain 2 credits towards Yr 11.

- Certificate II Electrical
- Certificate II Plumbing
- Certificate II Hairdressing
- Certificate II Beauty

Students will still be awarded their Certificate II when they have completed the 2 years of the above certificates but will not receive any credits towards Yr 12. These certificates will only run next year providing that we have enough students enrolled (the minimum is 10 students).

All other VET Certificates offered at Echuca College by EDVET give students 2 credits at Units 1/2 (Yr 11) & 2 credits at Units 3/4 (Yr 12). Students & parents need to be aware of this when deciding their student’s subject selections at Years 10, 11 & 12.

Sharon van de Zand
VET Coordinator – Echuca College

ROCK EISTEDDFOD GRAND FINAL
TICKETS ARE NOW AVAILABLE AT THE GENERAL OFFICE, OF BOTH CAMPUSES FOR $45.00 EACH
ROCK EISTEDDFOD UPDATE

Congratulations students, families and friends, for all being a part of this wonderful experience. I am sure that you are all very proud of how far our students have progressed through to the Premier Grand Final, and I hope that you are very proud of your time and expertise put into assisting your children to have this awesome chance. Well done!

Fathers!

When Echuca College returns early Saturday morning, we will have a truck full of sets. Although I understand that you are all so very busy, and will have been asleep, we were hoping that a handful of men could possibly assist in unpacking the truck at College Drive just before the bus arrives? Please just ring Jacqui on 0407 832305, alternatively your child can let me know at rehearsals. Thank you in anticipation.

Reminder!

I would like you all to know that some students really didn’t have enough water during the day in Melbourne. Could you please just remind your children about the importance of drinking plenty of water and eating well during this very busy day? Also, some students dressed in suits forgot their BLACK SOCKS!

Grand Final Rehearsal Dates

- Wednesday 2nd September - Rehearse until 6pm
- Sunday 6th September - 10am - 2pm
- Wednesday 16th September - Rehearse until 7pm
- Friday 18th September - Rock Eisteddfod Premier GRAND FINAL

Fundraiser

Just a reminder that Rocka are holding a movie fundraiser at the Paramount on Monday 14th September, 6.30pm, to raise money for the Rock Eisteddfod. Tickets are $17.00 each, which includes a light supper, and are available at the General Office of both campuses.

Grand Final Tickets

Are now available at the General Office, of both campuses for $45.00. Ticket sales close this Friday so hurry in and secure yours!

Jacqui Kornmann

A BIG THANK YOU!

To Forever Fresh & Cadell Trading for donating all of the food for the Rocka Heats in Melbourne, to Spot on Dry Cleaners for Ironing the suits & to the Moama Bowling Club and Hip Pocket Echuca for their support and assistance, it was greatly appreciated!

INTERSCHOOL THEATRESPORTS

This annual competition will be held on the College Drive campus of Echuca College, on Friday 11th September. Selection of teams and training sessions will be held on Wednesday lunchtimes at 1.00pm.

VCAL Trivia Night

VCAL is running a trivia night for the Beacon Foundation on Friday 4th September. Everyone is invited to this fun night which raises funds for such a good cause. Tickets are $10 each and there will be heaps of prizes on the night. The theme is Hollywood, so break out your best dress-ups. We hope to see you there. For more details see Mr Abramovitch or Mr Cheal. Tickets are available at the office.

CONGRATULATIONS

On Sunday 30th August Echuca green under 16 division 1, including Echuca College students Curtis Slattery, Cameron Valentine, Matt Wilson, Matt McKenner, Daniel Edwards and Harrison O’Reilly won the Shepparton and District Junior Football League grand final.
SPORTING NEWS

CSSSA JUNIOR BASKETBALL -
August 11th

The year 8 girls only had one game for the day which saw them challenge a very tall and skilful Rochester side. The girls began steadily, with Steph McKee and Maddison Steel rebounding strongly in defence. Zoe Johnson and Milly Down worked hard in the front court, dribbling and working the ball around in search of their team mates.

The defence of the Rochester girls or ‘giants’ was difficult to penetrate, but after much persistence the girls finally scored after half time with Alyce Townsend finding the basket. Several goals followed, with Shakira Mongta creating many scoring opportunities for her fellow team mates. Jaimi Elgar was solid in defence, making her opponents work for every scoring opportunity. The Rochester girls had great difficulty driving to the basket in the second half, with all girls working hard. Megan Futsi showed great determination all game, making several efforts to stop her opponents. Unfortunately, this enthusiasm resulted in 5 fouls with only minutes to go.

Final score was Echuca – 8 to Rochester – A LOT.

Jaimi Elgar was solid in defence all day and was awarded Echuca College’s best in a very tough match. Despite the loss all team members had an enjoyable day, and celebrated by having a picnic lunch outside in the sunshine afterwards. Our girls showed great determination and sportsmanship all day. Well done girls!

The year 7 girls team consisted of Dayna Martin, Kiara Cooper, Aleara Moffatt, Jessie Hardess, Steph Pearse and Kassidy Flight. Three games were played for the day and all girls contributed well to their team for the entire day. Jessie even helped Nathalia out by scoring 2 points for them after a steal. Kiara Cooper top scored in the first game against Nathalia on 20 points with great defence by Dayna Martin. Final score 39-14.

The girls then faced Kyabram and kept them from scoring in the first half. Great defence and rebounding by Jessie assisted the girls in the 55-8 win. Aleara and Kassidy worked together to bring the ball down the court effectively.

Coming into the last game against Rochester, the girls knew it was going to be tough as they had also beaten the 2 other teams. Rochy set up a tight defence early on which the girls couldn’t break. Steph stepped up and found confidence taking some great rebounds. Unfortunately, the girls were defeated in what was a close game 18-24.

Well done girls on a great effort.

NORTHERN ZONE SOCCER
August 6th

Echuca College year 7 soccer team recently competed in the Northern Zone Championships. Echuca College participated in two matches against Weeroona College and Castlemaine.

The first game against Weeroona was an action packed match with both sides attacking regularly. Robertson and Dunstan were prominent in defence whilst Toll was impressive in the goals. At fulltime the score was 1 all.

The second match against Castlemaine was an even more exciting match with the lead changing on several occasions. The standard of football lifted to world cup level and at the final hooter the scores were level at 2 all. This required a penalty shootout to decide which team would go on to the State carnival. In a tense shootout the Castlemaine team came out on top and will now head to the State carnival.

The boys should be very proud of their efforts on the day.

Most valuable player was Chris Dunstan followed closely by Fraser Robertson, Shaun Atkins, Jake Toll and Hayden Wentworth.
ECHUCA COLLEGE ATHLETICS
August 19th

Last Wednesday our College Athletics was held for the first time on our own oval. With the weather on our side the day as a great success with many students breaking records. Good luck to the 136 students attending interschool athletics on the 10th of September

The Echuca College Rock Eisteddfod team with their performance of ‘Greed’, have made it through to the finals!

Please help us raise funds for our team by attending an advance screening of 500 Days of Summer!

**Date:** Monday 14th September  
**Time:** 6.30pm  
**Tickets:** $17.00 each  
(includes light supper)  
Tickets on sale at the General Offices at both campuses of Echuca College from Monday 24th August.

**About the movie!**

This post modern love story is never what we expect it to be -- it’s thorny yet exhilarating, funny and sad, a twisted journey of highs and lows that doesn’t quite go where we think it will. When Tom (Gordon-Levitt), a hapless greeting card copywriter and hopeless romantic, is blindsided after his girlfriend Summer (Zooey Deschanel) dumps him, he shifts back and forth through various periods of their 500 days “together” to try to figure out where things went wrong. His reflections ultimately lead him to finally rediscover his true passions in life.

The Place To Be
Parents/guardians of students in Years 7 to 12, are invited to collect Mid Semester Progress reports which will be available at the Year 7 Neighbourhood, College Drive campus, from 5.00 pm until 8.00pm on Wednesday, 16th September 2009. Teachers will be available for interview at these times.

All interviews will be conducted in the Year 7 and year 8 Learning Neighbourhoods (a map showing the location of teachers will be available on the evening).

Appointments for interview should be made with each of the student’s teachers. Each student and teacher will have an Interview Appointment Sheet (see bottom of page). Students, after consultation with their parents, are to book appointment times with their teachers and record these times on the appointment sheet.

Parents are urged to use the appointment system. Teachers may be able to see parents at times when they do not have a scheduled appointment, however, as this cannot be guaranteed, it is preferable to make bookings.

Students are expected to attend interviews with their parents to add value to the interview.

The appointment sheet is to be used to make appointments prior to the Parent/Student/Teacher Interview Evening.

Mr Rob Strachan – Campus Coordinator – College Drive Campus
Mrs. Robyn MacLean – Campus Coordinator – Crofton Street Campus
