**Important Dates**

**AUGUST:**
- 4th - Northern Zone Winter Sports.
- 5th - Australian Maths Comp.
- 9th - State-wide Curriculum Day NO STUDENTS IN ATTENDANCE.
- 11th - EC Pathways Expo
- 16/17th - VET Information nights.

---

**Diversity Our Strength**

Next weekend will see Echuca College hold its annual Year 11 Debutante Ball at Echuca College on Friday 6th and Saturday 7th August. We have 43 debutantes being presented across the two evenings and the College would like to thank our parent organisers and Year 11 Team of Mr. Down, Ms Watson and Mr Sutton. Also a special thanks to Kate Hatfield who has been our dance trainer for the last few months and to Mrs Morris (catering), Ms Watson’s music students (band) and Mr Jones for organising the sound and technical side of things. We look forward to two great nights with our Year 11 students and their families on the 6th and 7th August.

Technology is a wonderful thing but in recent years we have seen many examples of how it can be misused. On Wednesday afternoon well over 150 teachers and school representatives from all the educational sectors in the Echuca/Moama community, police and DEECD personnel attended the launch of the cyber safety resource kit for schools - Photograph. The central piece of the resource package is a short movie called ‘Photograph’ that was written and filmed in Bendigo by senior students earlier this year. The focus of the resource kit is to inform school communities (teachers, students, parents) of the impact that cyber bullying has and in particular the more recent phenomena of ‘sexting’. The movie portrays the events around a ‘sexting’ incident at a school and the devastating consequences for all involved. The movie is only one element in the resource kit and should not be viewed in isolation and clearly will form part of a larger strategy to inform and protect our young people.

At the launch, Lee Baxter from the Loddon Mallee Regional Office and Senior Programs Officer for Student Wellbeing & Drug Education, introduced those involved with the development of the resource kit and those who also participated in the movie. All the project personnel at the launch had much to offer the audience in their knowledge of this 21st century issue that confronts us. Senior Sergeant Crouch who is also involved in the project and appears in the movie spoke about the legal ramifications (both under state and federal law) linked to the crime of ‘sexting’. He also outlined procedures that schools will follow in relation to these matters in co-operation with local authorities such as the police. At the end of today’s launch it was great to hear Lee Baxter acknowledge that this work was started in Echuca by local teachers in 2007 and how that work provided the catalyst for what we were shown at the launch. The audience was informed that further work is being developed around similar issues and that the ‘Photograph’ resource kit is being used internationally by ‘Google’ and ‘Microsoft’ in the fight against the misuse of technology and the internet.

In light of Wednesday’s experience, I would like to re-visit some other technology based issues and reinforce to students and inform parents of some of the rules that apply to the use of mobile phones and iPods at the College. This is as a result of inappropriate student behaviour rather than the technology. Our policy states that students’ phones and iPods should be switched off during class time (unless otherwise sanctioned by the classroom teacher) as they have the ability to disrupt the learning environment Mobile phone cameras are not to be used at any time.

Would you like to receive the newsletter via email? Simply go to www.echucacollege.vic.edu.au/newsletter/ and subscribe.
Using a mobile phone camera (still and video) to film people and their activities without their knowledge and/or permission is an invasion of privacy and is not permitted. As a College we place much emphasis on technology as a learning tool and thus part of this is to educate our students on the appropriate way to use mobile phones and associated technologies. It is important that students display courtesy, consideration and respect for others whenever they are using a mobile phone. Failure to follow these basic principles will result in these items being removed from the student and discipline procedures being implemented. The College does require parental support on these matters.

The cold weather has seen a few variations of the College uniform appear in recent weeks. For example, track suit pants and hoodies under school shirts; neither are not part of the College's uniform. Items of clothing that make up our uniform have been very clearly defined in our uniform policy since the establishment of Echuca College. A uniform list is available from the general office and those students who come to school out of uniform will need to report to the admin area. Where families need assistance in acquiring school uniform the College can help through a number of facilities, including access to second hand uniforms. I would also encourage parents and students to label the various parts of their uniform; in particular jumpers and College tops. Many of the items are very expensive and jumpers are the items most frequently left behind in the yard or in classrooms.

Semester 2 EMA Applications

If you have applied for EMA at the beginning of the year, you do not need to reapply unless circumstances have changed. All new families who are eligible and have a current Health Care Card from 12th July can come and apply for EMA for 2nd Semester. Ask to speak to Jan in the General Office to apply or contact Echuca College for more details regarding EMA. Please note that Parent Applications close on the 6th August.

Pathways News

Year 12 Parent and Student Victorian Tertiary Admissions Centre (VTAC) Information Evening.
On Wednesday the 4th of August an information evening will be held for Parents and Year 12 students. The night will be held in the senior Learning building and will commence at 7.30pm. All students and their parents are encouraged to attend this evening as valuable information will be presented about the application process and other topics related to Year 12 students looking to study in 2011.

Herald Sun –Melbourne Career Expo
The Herald Sun –Melbourne Career Expo will be held from Friday the 30th of July to Sunday the 1st of August. The Expo features over 140 exhibitors from education, training, employment and government sectors. More information can be found at www.careerexpo.com.au. A limited number of free tickets can be collected from the Pathways Office at Echuca College.

Tertiary Open Days
The Tertiary Open Days are about to take place over the next few weeks. Parents and students are encouraged to attend these days to investigate the many different pathways available to students beyond Secondary School. The last two Newsletters contained a table outlining the relevant dates.

Year 10 Beacon Pledge Day

Wednesday 21st July 2010 saw all Year 10 Beacon students attend the Pledge Day which was held at the Rich River Golf Club, Tatalia Room. The event was organised by the Echuca-Moama Beacon Executive Officer, Steve Gale. The Pledge Day is held annually and students make a pledge and then sign a board in a symbolic gesture that confirms that they will do everything in their power to stay in further education or enter employment in the future.

Beacon Leaders did a fantastic job setting up and ensuring the event ran smoothly. A special mention goes to the students who spoke at the event; Madeline McCluskey, Daniel McDonald, Rachel Whelan, Keely Hartshorn and Sarah Head.

The main guest speaker at the event was Melissa Buchanan who attended Echuca College in 2008. Melissa’s story was extremely interesting and she explained how the Beacon program had benefited her in terms of the pathway she has taken to gainful employment. She explained how hard she worked to achieve good results at school and how she had used the opportunities that had come her way to join a local Legal firm and become a legal secretary. Melissa mentioned that her goal had always been to go to University but during a Gap Year traineeship with a local Legal firm her plans changed and she is now completing on the job training. Her story is definitely inspiring and was well received by the audience.

There are many people to thank for organising and helping at this event, this includes; Steve Gale, Susan Weardon, Melissa Buchanan, Kevin Morgan, Dave Pearson, Linda Jenner, Beacon Teachers; Ted Down, Yvonne Stansfield, Steven Abramovitch, Stewart Cheal, Glenn Webb, Rob Strachan and also Beacon Leaders not yet mentioned Shaun Hon, Gerard Corby and Renee George.
Echuca College Sports News

Senior Boys Basketball Report

The senior boys basketball team lead by Nick Castles had a great day at the Fonterra centre competing against Kyabram, Nathalia and Rochester. The first game was a convincing win against Nathalia with Ryan Hon setting up the win with several intercepts and fast breaks in the first 10 minutes of the game. The game against Kyabram was a come from behind victory as a small lead in the dying minutes was held onto by smart play from Alister Holt and Heath Blackley. With great defensive pressure from Nick Castles, and Mac Miller sinking some great fades always the team was confident going into the last match against Rochester. It wasn't to be though as Rochester where clearly the best team on the day and couldn't be stopped. Well done to the boys on their great efforts on the day!

Year 12 Outdoor and Environmental Studies Snow Trip

During the first week of term, the Unit 4 Outdoor and Environmental Studies group spent 3 action packed days at Mt Buller. We were blessed with some lovely weather, with a fresh fall of snow just before we arrived making for great skiing conditions. With the help of some fantastic ski instructors, all students improved their skills immensely and were carving up the snow by the end of the trip. A presentation by Anthony of the Mt Buller and Mt Sterling Resort Management Board gave the students an insight into the environmental issues of the alpine area and the management strategies and procedures that need to be followed to ensure the sustainability of Victoria’s fragile ecosystems.

The students made the most of every minute on the snow and skied to the last possible moment before boarding the bus for the long journey home.

A big thank you to Karl Stenning for his enthusiasm and help on the trip. A great time was had by all.

Lauren Menz (Outdoor and Environmental Studies teacher)

Intermediate Girls Basketball Report

The intermediate girls had a mixed bag of results at the recent CSSSA Basketball tournament. Our first match against Nathalia was a one sided affair. Jodie West was sinking shots from all around the offensive court whilst Tameka Branch’s defensive pressure was relentless. Rachael Binnie’s strong rebounding allowed her to score several points. In the end, Echuca College were run away victors – 22 to 8.

Our second match was a closely fought contest against Rochy SC. Ellie Ralph carried the ball down the court and drove into the key with ease. At half time, there was only a 3 point difference. In the second half, Tess O’Reilly was strong in defence – stealing several balls and then converting them. Unfortunately, Tess ran into foul trouble and was fouled off, as was Jodie. Despite Rachel Bronsgeest’s ‘fox terrier style’ harassment in defence, Echuca College went down. Thanks to Nicole – Mrs Jones’ Work Experience helper for scoring. Mrs Jones would like to thank the girls for a fun day!

Equestrian News

Javis Ham of 0T3 competed at Werribee Interschool in the school holidays, representing Echuca College and placed 6th & 7th. She placed 8th in Rider, 16th 3Phase Showman and 3rd & 2nd in her Dressage. Congratulations Javis. A job well done.

State Girls Basketball Tournament

Zara Pearson of Year 12 will be heading to Darwin on the 7th August to represent School Sport Victoria in Basketball. This is her second year in a row representing Victoria and has been nominated captain for the tournament as well. We at Echuca College wish Zara all the best for the tournament.
Year 8 News

Year 8 students have begun studying the theme ‘Footprints’ for term 3. The theme covers what things impact on our lives and the rest of the world. Week 1 was hook week which is an introduction. We studied the greenhouse effect and how the impact on the earth made by pollution. We also looked at the nuclear bomb and how it affected many innocent people and we created a timeline about things that have left a footprint on us from birth to the present.

Reporters: Jess Bernaldo, Leah Nimmo and Molly Barber.

Congratulations to the following students who received awards for ‘Personal Best’: Natasha Jacobi, Kayla Arkinstall, Tessa Mellington, Greta Pearson, Shannon Savage, Grace Day, Isabella Reid, Branden Kennedy, Jencie Lawford, Cameron Muir, Zosie Rosato, Georgia Sims, Emily Williams. A big thank you to parents who were able to attend our Medieval presentation. It is very important that student’s have an opportunity to show off their talents and have an audience to deliver to.

Please check that your child has sufficient stationary items and exercise books they generally get low by semester two.

Year 9 News

SCHOOL FOR LEADERSHIP – all reports from the Glenorminston Campus indicate that our six students (Jaimi Elgar, Sarah Toll, Tori Candy, James Deighton, Callum Stephens, Aaron Henery) have settled in well and are having an absolute ball! I look forward to adding snippets of their adventures into upcoming editions of the newsletter!

UNIFORM – a reminder that all students should be in FULL winter uniform. Tracksuit pants and hoodie style jumpers are inappropriate and will be removed should your student wear one to school. Any families seeking clarification on the College uniform should contact the College asap.

ATHLETICS – Wednesday, August 18 will see the annual College athletics carnival held on the College oval. I look forward to seeing lots of parents attend to encourage and support their son/daughter and cannot wait to see all Year 9 students participating in their costumes! It should be a terrific day – fingers crossed for a beautiful day of sunny weather!

YEAR 9 STAFFING CHANGES – the mid year holidays saw several staffing changes happen within the Year 9 Team. We thank Erin McGuirk and Sue Neale for their efforts in throughout semester 1 and wish them all the best for their new adventures. This semester sees us welcome Angela Schneider (Health/Science) and Anneli Hamilton (maths) to our team. We hope they are settling in well and are enjoying being part of the Echuca College family.

ABSENCES – you to those parents who have been contacting the College office if their child is absent from school. In these wintery months it makes it somewhat easier to track student progress and those dreaded lurgees that tend to be shared at this time of year.

DUKE OF ED – well done to those students who have been regularly updating their online record books. A reminder that the aim of the Duke of Ed program is that students complete the award in their own time.

Any students who have questions should see Mrs Jones. – The Year 9 Team

Year 10 – 12 (2011) Pathways Expo

On Wednesday August 11th 2010 we will be running our Pathways Expo in the Science Neighbourhood for all parents and students in Year 9 -11 in preparation for course selection for 2011. This night will enable parents and students to come to our expo to help in their selections for the following year. All staff from the different domains will be available to answer questions and provide assistance in course selection. The evening will start at 6.30pm with an informal walk around the Science area catching up with staff from the different Domains. Our Pathways team will then speak to all parents and students in regard to the format of the course selection process for 2011. After our Pathways Expo we will be conducting course counselling days for all students in Years 9 -11 with a staff counsellor to guide parents and students in their selections for 2011. A personal letter will be sent out to all families with more detail as the days get closer. Karl Stenning - Assistant Principal
Senior Girls Basketball Report

On Wednesday the 14th of July 8 Girls from Year 11 & 12 competed at the Fonterra Centre, representing the College in Senior Girls Basketball. The team had three games for the day. The first game was against Kyabram, their skills were a little rusty but they managed to sort it out quickly to win 44 – 2. The second match was against Nathalia who displayed higher levels of competitiveness, however the girls were able to overcome their zone defence to win 28 -7. The third game was against an undefeated Rochester who was the reigning champions from last year. The girls took nothing for granted and went hard from the first jump ball, playing strong one on one defence and driving the ball to draw fouls. After a close game the girls broke away in the last few minutes to win 29 – 14. Player of the day went to Zara Pearson who’s skills were both effective and invaluable in our team’s success. Highlights from the matches included Rochelle’s diving attempt at the ball, her desperation showed her dedication to the team; Maddie’s constant fast breaks and quick hands in defence; Kayla’s skill in defence and strong rebounds; Jami-Lee’s fitness and ability to apply pressure on the ball constantly; Brittany’s height in defence and offensive rebounds; Molly’s jump shot from just outside the key and Alex’s three pointer! Following their success the Senior Girls Basketball team will now compete at the Northern Zone round robin on the 4th of August. Well done to all the girls, I look forward to coaching you all again at Northern Zone!

Rachel Foy

State Cross Country

On the 13th of July 6 students from Echuca College made the long trip down to Bundoora Park in Melbourne to compete in the State Finals for Cross Country. The track was challenging with considerable hill climbs and the weather was good with no rain or wind. Each race consisted of the top 100 cross country runners for the state, therefore the races were ran extremely quick for the day and our students did an excellent job representing the school and themselves. Hopefully Echuca College will have the same level of success in 2011! Thank you to the parents and grandparents who were able to come along and support our students.

The following students are to be congratulated for their achievement of competing at the State Finals for Cross Country:

12-13 Girls: Isabella Reid & Jess Hardess
12-13 Boys: Campbell Ennis
14 Years Boys: Shaun Atkins
15 Years Boys: Riley Fitzpatrick
17-20 Years Girls: Erryn Flynn

CSSSA Intermediate Boys Basketball

Two wins from three games was an excellent effort by the boys at the Fonterra Centre in Echuca recently. Marcus Roberts, Ross Miller and Curtis Slattery were strong on the boards in the first win over Nathalia with Shaun Hon, Aaron Colville and Jesse Hill running the floor in the close win over Kyabram. Luke Sanderson made a couple of telling intercepts in the first half against Rochester with the scores being very close at half time. Rochester managed to pull away for an eight point win in a closely fought contest.

David Pearson

Echuca College’s Athletics Day

Well it’s that time again where students are getting themselves all pumped for the School’s Athletic Carnival. This year the Carnival will be run a little differently to maximise participation from students. Echuca College’s Athletics Carnival is a compulsory event for all students and staff, it will be held on Wednesday the 18th of August on our School oval. This year students will be given a copy of the program of events at the start of the day. Using that program and time guide students are then required to register for the events they wish to compete in 20 minutes before their starting times. There is no limit to the amount of events that students can participate in; each event a student goes in will result in a point for their community regardless of where they are placed. Students had community meetings last week where they were informed about the new procedure and the opportunity of competing in Javelin or Discuss at lunchtimes prior to the carnival. On the day students are encouraged to come dressed in their community colours, this year there will be ‘Fashion on the Fields’ where students can enter to win their community more points. Parents and families are invited to come along on the day of the Carnival to support our students. Below is the program and times of events for the day, please note that Javelin and Discuss time’s are 6am this is due to the fact that these events are run prior to the Carnival Day. If there are any questions about the carnival please feel free to contact myself at the school, looking forward to a successful Athletics Carnival for 2010! Please note that a list of the events in their time slots is attached to the back of the newsletter.

Rachel Foy
Echuca & District Vocational Education & Training

Monday 16th & Tuesday 17th August 2010
7.30pm to 9.00pm
Rich River Golf Club Resort
Tatalia Room (1st Floor)
24 Lane, MOAMA

Vocational Education and Training (VCE/VET in Schools)

INFORMATION EVENINGS

THE FOLLOWING PROGRAMS WILL BE PROPOSED FOR OFFER IN 2010 FOR VCE/VCAL STUDENTS IN THE ECHUCA SCHOOL DISTRICT.

On each evening students will have the opportunity to investigate two VET programs of interest.

The following courses will be presented on Monday 16th August 2010.

Automotive Technology
Building and Construction
Electrotechnology (Electrical)
Engineering Studies
Furnishings
Hospitality (Kitchen Operations)
Plumbing (*new course for 2011)
Community Recreation (Sport & Rec)

The following courses will be presented on Tuesday 17th August 2010

Business
Community Services (Child/Disability Care)
Dance (*new course for 2011)
Equine Industry
Fashion Design and Technology (*new course for 2011)
Hairdressing
Make Up Services (Beauty Therapy)
Music (*new course for 2011)

Representatives from schools, training providers and trainers will be available to discuss these VET programs with you. FOR FURTHER INFORMATION CONTACT YOUR SCHOOL VET CO-ORDINATOR

– Mrs van de Zand or ring Rob Tyrrell (EDVET Manager) on 0400529339
