Principal’s Report

‘Diversity Our Strength’

This is the last Newsletter for the term and as such I would like to thank all our students and staff for a great term’s learning and teaching. Special thanks must also go to our Education Support staff who have worked hard behind the scenes all term and all year.

Recently the College was pleased to accept a financial donation from the Moama Bowling Club that will be put towards student awards at the end of the year at our Celebration Evening on the 19th December. Support of this nature is always appreciated and is always put to good use. I believe that it is worth noting that while support of this nature is great, the Moama Bowling Club has supported our College in a number of ways over the years and many of our programs have benefitted as a result of support from the Moama Bowling Club. This support not only comes in the form of access to facilities for functions and projects but through assistance from their staff in our programs. In areas that focus on the development of young people’s work ready skills, such as the Beacon Foundation and EDVET, support from the Moama Bowling Club and other employers in our community has been critical. On behalf of Echuca College I would like to thank the Moama Bowling Club for supporting our students and College.

The College’s Talent Show was held last week at the Paramount Theatre with 22 performances playing to a full house. The program was well supported with singers, bands, dancers, comedians and even our own teacher band singing a song from a bye gone era. The talent show was well supported and I would like to thank the Paramount Theatre for their support and allowing us to hold the evening at their venue. Well done to all the performers and a special thanks to all the staff involved in the Talent Show.

Last week the College held mid semester Parent/Teacher Interviews where we also issued mid semester reports. The evening was very well attended and as a consequence some parents and students may not have been able to see teachers during the course of the evening. If parents require an interview with a specific subject teacher please don’t hesitate to call the College and make an appointment. Reports that were not collected last week have been mailed home. If parents require an additional copy or replacement copy of your student’s report, please contact the College and this can be done for you.

Years 7 and 9 students will get their NAPLAN (National Assessment Program-Literacy and Numeracy) results this week. The NAPLAN assessments were conducted during Term 2 and are benchmarked at a national level and state level. The NAPLAN data, along with other assessment tools used at the College, help us to plan our students’ learning in the future and to also identify areas for improvement or extension. If parents/guardians have any question about the NAPLAN reports or would like to speak to teachers about the report, please don’t hesitate to contact us at the College.
During the holiday period our VCE teachers will be running classes for students studying Unit 4 VCE subjects. The majority of classes will be revision sessions for the students and most of the students attending will be Year 12 students. The holiday period is the last opportunity for our senior students to get ‘some all important’ extra time to study before the demanding last term begins. Year 12 students only have 3 weeks of formal classes in term 4 and a week of revision and exam preparation before the Unit 3 & 4 VCE exams start on 3rd November. I would encourage all senior students to take advantage of the support given to them by their teachers and to utilise this time because the last few weeks of school will disappear in no time.

On Tuesday our athletics team competed in the Campaspe District Athletics Carnival at the Bendigo Athletics track. The College finished second in the overall raw score for the day competing against 7 schools. This was one of the best results in recent years. We also had 3 Age group champions and they were Mitchell Hore, Charles Lowe and Jayden Twigg. There were a number of students from the College that have qualified for the Northern Zone event early next week.

On Wednesday evening the College held the last of our student information sessions for Year 8 students going into Year 9 in 2012. Year 9 is the first year level where students get a significant choice of subjects. The selection of ‘elective subjects’ in Year 9 is very important and could impact on what subjects a student can select in future years. If parents and students were not able to attend the information session and would like to discuss subject selections for 2012 with Year 9 teachers, please contact the College for an appointment. All subject selections for Year 9 must be handed in by the end of this week.

Chris Eeles Principal
This year the theme is ‘You can help someone with asthma’.

Did you know?

| 1 in 10 Australians have asthma | - almost everyone will know someone with asthma |
| Asthma is the leading reason for children visiting emergency departments |
| You can live without air for only minutes - so knowing what to do in an asthma emergency situation can save a life. |

Whether you are a family member, co-worker, teacher or carer, National Asthma Week is an opportunity to increase your understanding of asthma and learn exactly what to do.

Take action this National Asthma Week and help someone with asthma

**ASTHMA FIRST AID.**

This is first aid information for anyone having an asthma attack. It is safe for adults and children, and is commonly referred to as the 4x4 First Aid Plan.

**Step 1** Sit the person upright, be calm and reassuring. Do not leave the person alone.

**Step 2** Give four separate puffs of a blue reliever (Airomir, Asmol, Epaq or Ventolin), i.e. one puff, then 4 breaths; another puff, then 4 breaths; another puff, then 4 breaths; another puff, then 4 breaths.

**Note:** The medication is best given one puff at a time via a spacer device. Ask the person to take four breaths from the spacer after each puff of medication. If a spacer is not available use the blue reliever puffer on its own, as described in Step 2 above.

**Step 3** Wait four minutes, to see the effect of the reliever treatment.

**Step 4** If there is little or no improvement repeat steps 2 and 3.

If there is still no improvement call an ambulance immediately (Dial 000). Continue to repeat steps 2 and 3 while waiting for the ambulance.

A Bricanyl Turbuhaler may be used in first aid treatment if a puffer and spacer is not available.

If you are using Symbicort SMART treatment (Symbicort as both reliever and preventer), you can use the SMART first aid plan. However it is still safe and effective to use the general asthma first aid plan above.

**What does a spacer do?**

A spacer, or holding chamber, is used because it makes it easier to inhale the reliever medication. You are able to breathe normally from the spacer and do not need to co-ordinate the use of the puffer with a deep breath in, which you have to do when using a puffer on its own. A spacer also helps to get more of the medication into your lungs, rather than sticking in your mouth and throat.

You can contact the Asthma Foundation on 1800 645 130 or www.asthmafoundation.org.au to ask for resources and more information. Or alternatively contact me at school. Denise Leed School Nurse

**Year 9 Community Student Gratitude Reflections**

“Feeling gratitude and not expressing it is like wrapping a present and not giving it”

People take too much for granted and it has gotten worse over the years. People think living in this century is hard, but do they think about the people in Africa who are starving and sleeping on the street? My mum complains about her bed and how it hurts her back – the more I hear her talk about her back the more it makes me think about all the kids who are lucky if they have a semi soft place to sleep.

There are many charities out there but is that really enough? Do we need to think about how we, the people of Australia, can help others in need?

The word gratitude has lost its meaning, the word has been forgotten. So my message to you as a student is, “Be grateful for what you have because you don’t know what you have til it’s gone”. Kaitlyn Barkby Year 9
On Thursday 25th and Friday 26th August Year 10 students participated in the successful Mock Interview program. Local business people gratefully give their time to interview each student one to one. The interviewer provides feedback to the student about how they went during the interview and this is used by the student to improve for future job interviews.

Each student prepares for the interview by creating a resume and applying for a Mock Job during their Beacon classes. They are also given advice and instruction on how to conduct themselves in an interview situation. Although the nerves run high before the interview, students experience what it's like to answer typical interview questions and how to best convey to the interview why they should be hired. This is such an amazing learning experience for many students because for some it is the first time they have had the opportunity to participate in a job interview scenario.

I would like to thank our local business community and Rachel Collins from Echuca Moama Beacon Foundation for supporting such a valued program. Well done to the students and the teachers for their great work and support.

Sandy Morrison - Beacon Coordinator

On the 29th August, 20 Echuca College students from Year 9 and 10 went on the Bogong Ski Camp, along with 20 others from Cohuna Secondary College. It was a bit of a change going from a warm environment, to a cooler one, but we were lucky enough to have great weather at Falls Creek.

We spent 3 days in the snow. The first day was cross country skiing, and the other two were down-hill, which everyone seemed to enjoy better. There were only a couple who had been to the snow already, so most of us were falling over a lot and stacking to start with, but we eventually got the hang of it.

We learnt about the Hydro scheme, which is where the water runs down from the mountains and produces electricity for us. We also had a few jobs to do at the camp, we all contributed and were separated into different groups where we all connected, got along and made plenty of new friends.

We all had a great time. There were no major injuries, which was lucky! Thanks to the teachers who came and helped out. Tracey Ogden – Yr 9 Bogong Report

On Monday 29th August a group of Year 9 and 10 girls, their coaches and water boy headed to Rochester to play football against St Joseph’s College, Rochester Secondary College, Kyabram P-I2 College and St Augustines College.

The day started with a small shower, causing hysteria about hair going fuzzy and make up running. However, as the sun came out and the clouds dissipated the war make up was applied and the girls turned their attention to the task of playing some serious football.

The first game proved to be an interesting warm up; with plenty of squeals, running away from the ball?? and what was to be the start of some good form. As the day progressed the girls began to play with drive and enthusiasm; witnesses saw tackling, some great kicking and handpasses along with some throws and a bit more squealing and running away from the play.

The girls were speared on by MVP’s Jess Hardess (who literally spear tackled several unsuspecting players), Rowey Ilsley and Sarah Ogden (the goal scorers for the day) and their cheer squad of Jake Toll (coach), Zac Vesty (waterboy) and Ms Case (who spent most of the day in fits of laughter).

The girls were a credit to the school. They all moved out of their comfort zones and got in and had a go. The surprise end to the day was that we got to take the only trophy home!! Although we didn’t actually win the day, the trophy was full and as Echuca College had won it the most we get to keep it. Well done girls, I look forward to next year’s football where we can legitimately bring the trophy home.

Nicole Case - Assistant Coach

As most readers will be aware Echuca College staged its 4th Annual Talent Show last week at the Paramount. There were many incredible performers on the night but there is no doubt some of our Year 7s deserve special mention. The judges were heard to speak highly of all the Year 7 entries and we were treated to some fine singing and plucking courtesy of Dakota Armitstead-Hansen, Sarah Kaddissi, Cody Johns-Willett and Drew Walker.

It takes a tremendous amount of courage to perform in front of an audience at all let alone a group of 400 in a big auditorium! Amazing effort and a special ‘congratulations’ to Cody, Sarah, Dakota and Drew. We look forward to your entries in 2012!!

The Year 7 Rock group performed last week at the whole school assembly and were very confident and sounded fantastic.

They have been learning some new songs and will be ready to perform again by the end of the term. Mr Tony Spizzica

Intermediate Girls Football

On Monday 29th August a group of Year 9 and 10 girls, their coaches and water boy headed to Rochester to play football against St Joseph’s College, Rochester Secondary College, Kyabram P-I2 College and St Augustines College.

The day started with a small shower, causing hysteria about hair going fuzzy and make up running. However, as the sun came out and the clouds dissipated the war make up was applied and the girls turned their attention to the task of playing some serious football.

Athletic Sports

A big congratulations to all the VCE students for their efforts on the Athletic Sports day on Wednesday 24\textsuperscript{th} August. Attendance on the day was outstanding and it was fantastic to see the senior students dressed up in their community colours, participating in all the events and supporting the younger students. Well done to Wade McGrath and Brittany Warren for leading Moira to victory on the day!

Parent/Teacher Interviews

Thank you to all the parents who attended the Parent Teacher Interviews on Wednesday 7\textsuperscript{th} September. The night was well attended and was extremely beneficial in discussing student achievement in the lead up to end of year exams.

\textbf{Holiday Study Sessions for Unit 3/4 subjects}

Study sessions will run during the first week of holidays for many Unit 3/4 subjects in preparation for the end of year examinations. A timetable of classes will be posted soon. All students are encouraged to attend these sessions. The end of the year is fast approaching!

Practice Unit 3/4 Exams

Practice exams for Unit 3/4 subjects will be held Monday 17\textsuperscript{th} - Wednesday 19\textsuperscript{th} of October (Term 4, week 2). A timetable of exams will be posted shortly. Attendance is compulsory.

Tree Planting

Last Friday the year 11 Outdoor and Environmental Studies group and a selection of Year 11 PE students enjoyed a day of tree planting along the Campaspe River on the eastern side of the Eyre Street footbridge. The planting was organised by Drew Gailey of Echuca Landcare, who willingly donated his time and expertise to assist with the planting. Recently Landcare had removed a large amount of introduced Prickly Pear Cactus from the area and we were able to help by replacing them with a range of native trees. Bernadine Kelly, also of Echuca Landcare, is giving her time to come to the College to do a follow up presentation with the students next week about the impacts of introduced species in the area.

Lauren Menz

Year 8 Soccer Report

The year 8 Echuca College football (soccer) team went to Moama for the Loddon Mallee Regional Finals on the 9\textsuperscript{th} August. The boys lead by Luke Popovic with his great speed and fancy footwork got off to a great start winning their first match 1-0. Echuca had all the play and Jayden Thompson was peppering the goals but was a bit rusty from his time away from the game. The second match was the best for the day even though we went down 2-3 to St. Joseph’s from Mildura. James Vevers lead the defence with strong help from Rhys Dawes and Daniel Ottrey and to only go down by one goal to the eventual winners on the day was a great effort. In the last 2 games the boys struggled on but ran out of legs in both matches going down to Swan Hill College and Catholic College Bendigo. Luke Popovic was the MVP for the day.

CASUAL DRESS DAY - Friday 23rd September

Gold coin donation, going towards sponsorship of two Cambodian children from the orphanage the students touring Cambodia will visit: The Future Light Orphanage.

There will be a BBQ lunch

Them is: “Dress as a country” (beret for France, leprechaun for Ireland)
Seventy students participated in the event in Bendigo on Tuesday. An excellent team effort resulted in Echuca College coming second out of seven schools. Winners of events have qualified for the Northern Zone event on the first Thursday of Term 4. Echuca College fared well on the day achieving second place in the raw scores, only to drop to 6th place when handicaps were included. Our Junior team achieved 7th place, the Intermediate team achieved 6th place, and Senior team 5th place. We had three age champions, Charles Lowe U/14, Mitchell Hore U/15 and Jayden Twigg U/16. Charles Lowe broke the record for the U/14 Mens 200 meters with a time of 25.34 seconds. Congratulations to all our competitors on the day for representing the College extremely well. Special thanks to the staff and parents that attended on the day.

RAW SCORES:
1st Place Rochester Secondary College 664.5
2nd Place Echuca College 622
3rd Place St Joseph’s College 579.5
4th Place St Mary’s of the Angels Nathalia 479
5th Place Kyabram P-12 College 427.5
6th Place St Augustine’s College 415
7th Place Nathalia Secondary College 177.5

OVERALL HANDICAP SCORES:
1st Place St Augustine’s College
2nd Place Nathalia Secondary College
3rd Place Rochester Secondary College
4th Place St Marys of the Angel’s Nathalia
5th Place St Joseph’s College
6th Place Echuca College
7th Place Kyabram

David Pearson.

SSV Campaspe Athletics

i-Dance at Echuca College

WHAT IS i-DANCE?

i-Dance is a newly formed School of Dance, incorporating all of the latest dance instruction learnt throughout the world today.

At i-Dance, students will learn strong technique and discipline in each class, as well as the quality of the art of dance, the creative and the dramatic, throughout their technique and production training. They will have lots of fun at the same time!

Everyone is welcome to attend - the school is open to all people of all ages in the Echuca & district community.

WHAT TYPES OF DANCE STYLES ARE AVAILABLE?

The School has a range of dance styles which include but not limited to:

- Cecchetti Classical Ballet
- Commercial Jazz/Funk
- Contemporary

We are willing to offer other dance styles that may be of interest to you also.

For Further Details Please Contact Riley on 03 5482 1133.

ECHUCA COLLEGE - 20-50 BUTCHER STREET, ECHUCA VIC 3564
Year 7 & Intermediate Girls Basketball Report

The Year 7 girls came up against some tall and talented opposition in their two matches for the day. Michaela Clark-Grundy played some determined and tight defence in the first match against the Rochester team. Chelsea Atkins was reliable in the offense, being EC's only scorer for the game. Unfortunately it wasn’t enough with the girls going down by 12 points.

In their final match, the Year 7 girls came up against a well drilled St Joesph’s team. Courtney and Maegan Johnson rebounded strongly, giving us plenty of opportunities to score. Maia Hall shot well from the free throw line and carried the ball down the court nicely. Alas, the St Joeseph’s team were too good taking away the four points with a 32 point win.

The Intermediate Girls team had a slightly better day, improving with each game. The first match saw them take on a tall and talented St Joeseph’s team. Jessie Hardess was relentless in defence, playing tightly whilst Alana Long took many intercepts. Despite a long bomb shot from Amy Haw, Echuca College couldn’t overcome their opposition going down by 5 points.

In their second match, the girls regrouped strongly to smash their Nathalia counterparts. Kiara Cooper was a scoring machine – even hitting a massive 3 pointer! Emily McCluskey was like a fox terrier in defence, applying lots of pressure whilst Alana’s attack on the ball continued. In the end the girls took away a 14 point win.

In the Intermediate girls’ final match the girls were determined to beat Rochester. Rowie Ilsley played some great offense, passing strongly. Kiara Cooper continued her strong shooting streak scoring from all around the key. Jessie Hardess went hard, causing many turnovers from the Rochester players. In the end, Echuca College was too good, taking away a 3 point win.

Many thanks to Meghan Corby, Mr Sanders and Mrs Jones for looking after the teams at the tournament.

Year 7 Boys Basketball

A keen but relatively inexperienced team of basketballers went off to do battle in the Year 7 Interschool basketball tournament. Enthusiasm was high, however the squad had been whittled down to 8 from an initial list of 26 students.

The draw was against us, coming up against the very strong St Joseph’s team in our first game. The boys had trouble negotiating the opposition press and creating scoring opportunities. Zac McKenzie worked hard carrying the ball into offence and Clay Poidevin rebounded strongly but the end result was a comfortable win to St.Joseph’s.

Our second game was against Nathalia and some very good teamwork and ball movement was evident. Daniel Maher and Ash Twigg were strong in their play whilst Calum Lindberg was showing off great skills. Echuca College ran away to win by 12 points.

Kyabram was our third opponent. Again a team that was full of regular players who were used to playing together. Keegan Hutchins applied excellent defence and Lachie Thompson was creative in his play. Our best efforts were not quite enough and we went down narrowly.

In the final game we were playing for purple pride against Rochester. The boys were showing some super improvement throughout the day, both as individuals and as a team. Tom Crilly had come into the side as a late emergency and was making the most of his opportunity and Calum Lindberg was again displaying great leadership on the court. In a hard fought game, the team again came up just short despite putting up their best effort for the day. Well done to all the boys, watch out come the Year 8 tournament.

Intermediate Boys Basketball

A team of talented intermediate boy basketballers made their way to the Fonterra Centre for the Interschool basketball competition. The boys had been training consistently over the past four weeks to blend their individual skills into an efficient team.

The first game was the traditional grudge match against St. Joseph’s. Not an inch was given by either team as they traded goals throughout the first half. Kade Saunders was distributing the ball well, Keana Hall was making some great steals and Shaun Atkins began to find his shooting range. Echuca College gradually got on top in the second half to win by 14 points. After a 30 minute break, we came up against an undermanned Nathalia. Brent McGrath and Ben Dri led the way while Calum Lindberg was again showing some great skills. Echuca College ran away to win by a big margin.

The third game was against Kyabram, a tall team who were keen to do well. Ross Miller and Mitch Hore were both dominating rebounds and team set plays were working well as Echuca ran out comfortable winners.

The final game was against Rochester, who were also undefeated. Both teams were laden with stars and a tough game was guaranteed. Echuca raced to an early lead on the back of some great play from Shaun Atkins but Rochester were fighting hard. Kade and Keana were both moving the ball well and Mitch and Jayden were contesting hard for rebounds. Rochester had edged to a narrow lead when Shaun rolled an ankle and had to be subbed off. From that point, team structure fell away and Rochester got on top to build a winning lead, taking out the game and the title.
Limited Time Left for Year 8’s to Access Cervical Cancer Vaccine for Free

There are only 4 months to go for girls in Year 8 to finish their HPV immunisation course free of charge. Once the school year is over, any missed dose of the cervical cancer vaccine will need to be purchased from a GP or other health service provider at a cost of approximately $150 each.

The HPV—or human papillomavirus—vaccine has been provided to girl in Year 7 since 2007 as part of the National Immunisation Program. To get free immunisation in Victoria, girls must commence the course in Year 7 and complete all doses by the end of Year 8. After that time, any missed dose must be paid for.

Ideally all three doses will be given within a 6 month period—0, 2 and 6 months—however research shows if the second and third doses are given later than planned, the body still responds to the vaccine and makes antibodies which protect against HPV infection. This means it is still beneficial to complete the full three-dose course of the vaccine, even if doses aren’t received at the correct intervals.

The HPV vaccine protects against four types of HPV which cause around 70 per cent of cervical cancers. It is important for all girls to complete the full course to ensure the best possible protection against the disease and other HPV-related illnesses.

If your daughter has still not completed the HPV vaccine course, please contact your local health provider as soon as possible. Missed doses can be obtained through public council immunisation sessions and your local GP.

Girls in Year 7 will receive their third and final dosage of the vaccine at school on Wednesday 26th October 2011.

If you are unsure of your daughter’s immunisation record, contact your local council (Year 7 students) or the national HPV Vaccination Program Register (Year 8 students) on 1800 478 734.

If you need more information, visit www.cervicalcancervaccine.org.au. You can also call the Department of Health Immunisation Section on 1300 882 008 or call the Cancer Council Helpline on 13 11 20.

The vaccine can reduce the risk of developing cervical cancer. Visit cervicalcancervaccine.org.au or call 13 11 20 to find out more.
Echuca College Talent Show

Echuca College Performing Arts students displayed their enormous talent again at this year's Talent Show. Students from Years 7 - 12 auditioned and rehearsed over a 6 week period, before showing their best in public at the Paramount Theatre on the 8th September.

The performers and helpers were an exemplary group throughout a full day rehearsal and the show that night. They supported and encouraged each other and treated each other with the respect and goodwill that we aim to instil into our students.

It's a high-energy and high-emotion experience for those participating, and a couple of comments heard as students came off stage best sum up the impact of such an event: "I feel awesome" and "There should be 22 first prizes tonight."

Unfortunately for the 22 entrants, there were not. However, the winning performer - brilliant guitarist Matt Ivancic - was a highly deserving winner and he aims to use his winning cheque of $500 to further his already outstanding musical career. Sarah Parry won the prize for the Non-Serious category with a comical interpretation of Queen's Bohemian Rhapsody. The big find of the night was singer-guitarist Daisy Galuvaa with a beautifully mellow voice which belies her young age. She won the Best Junior Performer prize.

There were so many other performers who also sang or played with great accomplishment. Young singers like Drew Walker, Kaitlin Rowlands, Dakota Armitstead–Hansen and Sarah Kaddissi have massive futures in front of them.

Thanks to all involved in making the Talent Show happen and thanks to the students involved for letting us see them at their best.

Terry Muller

Annual Zone School Students Trap Shooting Championship

On a cold and windy Thursday in August the Echuca College Shooting Team attended the Annual Zone School Students Trapshooting Championships at the Echuca Gun Club. We had a large team of 25 this year due to a number of new shooters joining the sport. All shooters had a great day and there was some fantastic shooting. High scores and congratulations for the day go to Jack Francis with 7/20 and Jesse Taylor with 11/20 at their first ever school shoot, as well Tom McCluskey and Dylan Lubke with 13/20 who also scored high. James Hogan won second place in the Junior Boys category with an impressive 16/20 and secured a place in the Northern Zone championships in Bendigo on Monday 5th September. A huge thank you goes out to Julie and Geoff Hogan who helped out in the traps and in the canteen on the day. I would also like to extend my sincere thank you to ALL the parents who helped out by bringing their students and supporting them throughout the day. It wouldn’t happen without you.

Back row (from Left): Chloe Shorland, Jack Francis, Adam Scott, Dylan Lubke, Tom McCluskey, Luke Hams, Michael Young, Matt Webb, Amanda Carrington, Sarah McCluskey
Middle row: Leighton Flight, Harry Ogden, Whitney White, Zoe Lubke, Jesse Taylor, James Hogan, Jarren Duncan, Caitlyn Carrington
Front row: Jack Francis, Emily McCluskey, Dylan Robertson, Rory Stephens, Navarre Boseley
ECHUCA COLLEGE would like to thank BLUE SKY Echuca for the very kind donation of backpacks to the College’s Outdoor Education Program.

Echuca College have brought camping products from BLUE SKY in the past in order to stock equipment for camps and this latest generous offer shows the support BLUE SKY continues to offer Echuca College.

We encourage parents and students to continue to support BLUE SKY for all their own camping needs....... Again THANK YOU!

MIXED VOLLEYBALL TOURNAMENT
Jack Anderson Fundraiser
When: Saturday 8th October 2011
10am
Where: Fonterra Sports Centre,
High Street South, Echuca
Cost: $90 per team
($15 per person)
Trophies awarded to the winning team members.
Sausage sizzle available at the gate.
Please contact Nicole Farnsworth on 0409786949 or nic.spencer@hotmail.com by 24th September 2011 to register your team.
Hope to see you there.

BIG SEASON FOR TOUCH FOOTY
New night- Monday night
The season will kick off with four warm up games on Mondays starting on 12th September from 6.15pm at Moama Recreation reserve’s Brick Alley. Teams will need to register by 3rd October with the first round commencing on 10th October. The competition will consist of 16 rounds allowing for a 3 week break over the festive season culminating in a finals series on 20th & 24th February.

Juniors
The Association also runs a junior competition for under 12’s on Monday afternoons from 5.00pm prior to the open and mixed matches. The junior season kicks off on Monday the 3rd of October.
