Next week is the big week for our students in the Production.

They have been working for 9 months to prepare for the three public performances at the Paramount next week. If you haven’t considered going along to have a look, it’s time to get interested.

The show is amazingly creative and demonstrates the enormous talent and commitment that students at Echuca College possess. Come along and see them sing and dance and act, see them on film and see them live on stage.

See a side of them you’ve never seen before!

Performances are at the Paramount on Wed 27th Aug., Thurs 28th and Fri. 29th. Tickets are available from the Paramount now but there is some chance they will run out.
Archie to represent Victoria

Year 7 student Archie Reid will represent Victoria this weekend as part of the Victorian Athletic Team. The National School Sport Australia Cross Country competition will be held in Albany in Western Australia.

Archie has also been named the Riverine Herald Sportstar of the Year Monthly Winner for July.

Archie has competed in numerous events this year with great success and we wish him all the best in Western Australia.

Macbeth.com Opening Night Wednesday 27th August

It was great to see so many students dressed up today to support our production macbeth.com. We had witches, wizards, knights, ghosts and lots of princesses. Opening night is Wednesday the 27th of August, it will also show on the 28th and 29th of August. Tickets are available from the Paramount now. We are very excited to see all the hard work come to fruition.

Mock Interviews 2014

Our Year 10 students participated in Mock Interviews this week. Employers generously donated their time to give our students the opportunity to experience a real interview. Students prepared their letters of application and resume in Beacon classes prior to the interview. Students will receive feedback on their applications and their interviews. This is a valuable learning experience for students and we truly appreciate the time and support given by the businesses involved. We would like to thank the
Beacon foundation for supporting this process and would also like to thank the following people who have participated in the interview process;

Steve Flory, Erin Lloyd and Graeme Danher - Bunnings

Sue Turner - Training consultant

Jaime Lake - Numanz

George Santos - Moama Bowling Club

Daniel Strachan and Suzanna Gorman - Shire of Campaspe

Sue Teasdale - GMCU

Mandy Zanker and Scott Alexander - Murray Human Services

Jeni Clift - DWM Solutions

**Careers Pathway information Day for Indigenous Secondary Students**

The day was organised to introduce the students to La Trobe University Bendigo Campus. Providing an understanding on how the University Community operates through an interactive activity “Race Around La Trobe”. Students participated in a variety of interactive workshops from Faculties and Schools. Career Chats with La Trobe Indigenous and Non-Indigenous Students. Future Students session on University offerings providing students with an understanding of career choices and how to enroll into University.

There was time at the end of the day to be organised into student school groups to help assist students in filling out their Career Action Plans for MIPS and a debriefing about the day.

We went to the La Trobe Indigenous Experience Day, we started with a race around the Uni and then we broke into workshops that interested us, I went to graphic art. We then had pizza for lunch in the residents restaurant. We got to see the whole facilities and it’s fair to say, I will definitely be attending university! Loki Duus.

**One and All Deb Training**

The first One and All Deb training was held last night and the Echuca College students participating in this event were amazing!

Students were asked to indicate an interest in participating in the deb, to fill a number of roles. The interest from students was overwhelming and a select number of students have been chosen to partner clients from Murray Human Services. Students are also required to act as "Ninjas" and provide additional support and be back up dancers for any absentees.

The connections the students have already made are truly inspirational and we are very proud of all students participating in the deb ball.

The deb set has already learned their first dance and have had lots of giggles in doing so. We had several partners absent due to snow camp, but our ninjas (support crew/back up dancers) stepped in with ease. A special mention to
Jason Hanson who stepped in to partner Kara – a non-verbal client of MHS – Kara had a blast and literally squealed with disappointment when the evening finished!

Trainings are on Wednesday evenings 7.30-9pm at the Murray Human Services Hall on High St South. We look forward to the big event on October the 17th.

**Handmade Quilt Raffle**

A magnificent hand crafted quilt has been donated to the Echuca College Production by Mrs Robyn O’Sullivan. The quilt is on display in the front office. Echuca College is grateful for the ongoing support of the community as our production nears opening night.
For Sale: 40ft Shipping Container $3000

To be removed at cost to purchaser following DEECD regulations at a time suitable to Echuca College.
