

BYOD Portal 2018-19

The Centre Com BYOD portal provides a secure process for parents to purchase and maintain high quality education accredited products for their families.

Our portal is unique for each school and is built with the school to meet your needs.

Who chooses the products for my child's school?

Our Centre Com education specialists work with your school's staff to select the right products for the education program for your school. These are tested at the school to ensure they are the best priced products for your child.

Why are education accredited products important?

Products accredited for education use are specifically designed for school education programs. They have robust features, increased battery life, extended warranties and service arrangements. They are authorised to have educational software installed.

Generally retail products are built to different specifications.

Portal will be live 29th October 2018.

Please carefully note estimated delivery times when making your

selection to avoid disappointment next year as some units have an extended lead time.

1. Register

- School web site link for easy access: <http://www.echucacollege.vic.edu.au/learning/byod/>
- Preview page to assess devices before you register: <https://eduportal.centrecom.com.au/Preview/1045>
- Register with an email address and set your own password.

2. Buy

- Purchase products, accessories and service.
- Various payment methods available
- Your order will be delivered directly to your home address or available to pick up at Centre Com Bendigo or at the school.

3. Service

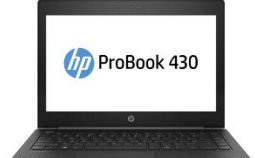

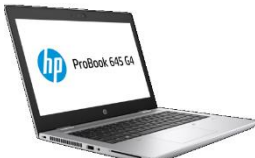

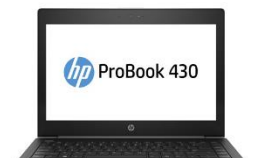

- Lodge warranty claims or insurance/ (physical damage) claims with the school helpdesk

4. Managed

- Change email and contact details if needed.
- Add additional family members as other children join the BYOD program.
- Download your invoice
