Year 7 Scholarships

Applications are now open for Echuca College Scholarships for 2021

This prestigious scholarship is for high achieving students entering Year 7 in 2021. Scholarships are available for students who excel academically, on the sporting field or in the performing arts.

The scholarships will consist of;

- Echuca College Essential Education Items —\$450
- Echuca College Uniform Voucher—\$300

Academic scholarships will be awarded to students who can demonstrate high level achievement and who will contribute to the high academic values of Echuca College. Students awarded the academic scholarship will be encouraged to enter National competitions e.g. Mathematics and Science to extend their knowledge and expose students to additional challenges. The charges for these competitions will be covered by the scholarship. Academic scholarship holders will be encouraged to participate in public speaking competitions and debating.

Sporting scholarships are awarded to students who demonstrate excellence in any area of sport, for students who have been identified as emerging athletes and entering Year 7 in 2021. This scholarship will be awarded to a student who can demonstrate high level achievement and who will contribute to the high academic values and athletic performance of Echuca College. Sporting scholarship holders will be assessed and a personalised training program that compliments their sporting commitments will be designed. It is expected that students holding a sporting scholarship will represent Echuca College in their specialisation and continue to aim for the highest level of representation. Echuca College is also supported by professionals who visits students at school and advises them on injury prevention and management. If suitable, the Echuca College weights room will be made available to scholarship holders under supervision from qualified staff.

Performing Arts scholarship holders will be encouraged to record either audio or visually their specialisation utilising Echuca College's state of the art equipment. Students will have access to specifically trained staff to assist and support students who may already be receiving personal coaching. Students will have access to the sound recording studio, our Apple Mac lab and an array of musical instruments.
