

Principal's Report

Power of One - One College, One Team'

Parents of our Year 12 students went back to school last week to learn about this year's English course. The evening was organised by the Year 12 English Teachers, Year 12 Team Leaders and our Later Years Team Leader Ms Lyn Costin. Although we didn't get 100% attendance (absence notes will not be required), it was great to see parents working in partnership with teachers in supporting their student during this demanding year. Areas covered were study demands, Reading and Responding, Creating and Presenting and Analysis of Language which contains an oral component. It is important that parents have some insight into the process that is Year 12 English in the VCE. We hope that our session with parents will enable them to better support their student during Year 12 and also further strengthen the strong link between student, parents and teacher. Parents are always encouraged and welcome to contact the College if help is needed. If parents would like information about how best to support their student in Year 12 English, please contact Ms Watson our English Domain Manager or Mrs Gould Year 12 Team Leader at Crofton Street. In addition to our information night, all Year 12 students have received their first report for the year from their teachers. Parents are encouraged to discuss this progress report with their student and if you have any questions please don't hesitate to contact the College.

At College Drive, Year 7 students and their parents were invited to 'meet the teachers evening'. This event is usually held after the Year 7 camp but due to the bushfires the camp will not be held until late March. Again, it was great to meet parents in an informal setting and to have an opportunity to showcase our new facilities and to talk to parents about the College's future plans and the benefits for their children. Parents who were unable to attend the evening and who would like to talk to their child's teachers should contact our Year 7 team of Mrs Burton, Ms Ogden and Mr Trehwella. Of course all parents are encouraged to attend our Parent/Teacher interviews that will be held at the end of term and we will be placing more information about arrangements for these interviews in coming editions of the Newsletter.

Next Wednesday the College will be holding our College Induction Ceremony at the College Drive Campus. Students from Crofton Street will be bussed across to College Drive for the ceremony. The ceremony is significant because it allows the to College to come together as one and it also recognises the importance of the positions accepted by our students such as College Captains (both senior and junior), Student Council Reps, Community and Beacon Leaders. While the year is only just underway, an event like this also provides us with an opportunity to celebrate the achievements of our students to date and to enjoy, as one College, the talents of our Performing Arts student.

I would like to welcome our newest teacher to the College, Ms Brill. Ms Brill will be teaching junior classes in Indonesian Language at College Drive. We also have two new Teaching and Learning Coaches working at the College this year; Mrs Picone and Ms Clapham. Teaching and Learning coaches support the work being done in schools in the areas of literacy and numeracy. They work closely with teachers and provide 'in-house' professional development that in the short to medium term assists us in improving our students' learning outcomes.

Last Monday I attended a regional briefing on the introduction of the new 'One on One' laptop computers being introduced across our region (Loddon Mallee) to all Grade 6 students. I attended this meeting with our Information Technology Team Leader Mr Strachan, Year 7 Team Leader Mrs Burton and Year 7 Teacher Ms McGurk. In 2010 Grade 6 students coming to Echuca College from state primary schools will bring

their laptops with them. It is imperative that we are ready for the additional laptops in regards to our infrastructure to support their use and our teaching and learning processes so we can maximise the impact that these laptops have on our students' learning and educational development. Significant work has already been completed by our College to ensure that our students have access to the latest technology and that we can cater for the increased volume of computers in use around the College in 2010. This year the College has trialled a new wireless system (Xirrus Arrays) that allows for a greater volume of laptops to access the network at once and thus, supports the College's use of flexible learning spaces to encourage innovative learning initiatives. We already know that effective information and communication technologies support effective learning through our experiences in our College Drive Neighbourhoods. The introduction of the new 'One on One' laptops will allow us to build on our knowledge and further enhance our students' educational experience. We are also looking to support our 'Partner Primary Schools' in their endeavours to secure appropriate wireless technology as they implement the 'One on One' laptop program this year. Partnerships need to be established in Echuca and throughout the Loddon Mallee region to ensure that information and communication technologies take our children into the 21st century. Successful implementation of these technologies will connect our students to the global society and will assist us in improving student outcomes.

Echuca College Principal

College Drive Principal's Report

Year 7 BBQ

Last Tuesday over 200 Year 7 parents and students took the opportunity to join Year 7 teachers and support staff for a BBQ tea. Families were introduced to the Year 7 teaching team and had the opportunity to have a tour of the college facilities.

The Year 7 camp will depart for Harrierville in the state's North East on Monday March 23rd and return on Wednesday 25th. This is a wonderful opportunity for students to get to know each other better as well as their teachers.

Alpine School

Best wishes to Rachel Whelan, Jason Grundy, Jackson Wentworth and Mitchell McMullan who on Sunday will commence a one month program at the Gnurad Gundidj campus of the school for student leadership. The program has already been delayed for one week due to the dangerous weather conditions across the state last week. The school, which is situated in the state's South West will see our students combine with students from across the Eastern Metropolitan region as well as the Loddon-Mallee region. Students will have the opportunity to participate in a range of outdoor experiential learning activities as well as classroom based activities. [Student leader Induction Day](#)

At 11.30am on Wednesday, March 11th will be the first time for the year that our two campuses will get together on the College Drive campus to conduct our annual student leader induction ceremony. Students will be entertained by student performers before we take the opportunity to honour students who have put their hand up and been elected into student leadership positions.

Student Absences

A reminder that parents are expected to notify the school if your child is going to be absent for the day. Please call the general

office before school. Leaving a message on the answering machine is fine. Parents are also expected to provide a written note explaining the absence.

At present, the college makes random calls to families who are absent without explanation. Most times students are absent because they are unwell. Some of our calls home have uncovered unnecessary absences.

By attending school, students give themselves a better opportunity to reach their full potential.

Facilities

The new science wing has now been completed with some refurbished rooms already being used by Year 9 students. The library, hospitality and textiles facilities are expected to be completed by the end of the term.

Our landscaping works continue. A new multipurpose hard-court facility will be complete this term. This includes two basketball and netball courts. Works to the central piazza area continues. This provides an outdoor shade and entertainment area as well as lawn area for passive recreation.

Crofton Street Principal's Report

Debutante Ball 2009

We are calling for interested parents of Year 11 students to attend a meeting next Tuesday 10th March at Crofton St Campus commencing at 4pm in the staff room. The aim of this meeting is to get a group of parents who are interested in organising a Deb. Ball for this year. Hope to see you there next Tuesday night.

Junior Sports Star of the Year

Last week Jordan Williams of Year 12 was announced joint Junior Sports Star of the Year with Jack Wilson from Year 12 last year sharing the award with Jordan. Congratulations to Jordan and Jack for their sporting efforts.

Year 12 Workload

We are now into Week 7 of Year 12 including the 2 weeks of Step-up last year. Parents should be aware that the workload for Year 12's is increasing immensely with SAC's, projects and tests. I have noticed that the stress levels of our Year 12 students has increased so please assist your son or daughter as much as possible at home. Our supportive partners program is up and running so I hope this will assist our Year 12 students in their studies for the year.

Lunch for new students

Next Thursday 12th March our School Chaplain Alan Corby has organised a special lunch for all new students that have enrolled this year. This is a great opportunity for students to meet in an informal way and see how they are settling into our College. A big thank you to Alan for organising this lunch.

Year 12 Reports

Each month a report will be sent home to parents of Year 12 students to inform them on how their son or daughter is going. Reports for February will be in the mail this week. Interviews with parents will be organised after these reports have been distributed.

Karl Stenning

Crofton Street Principal

Year 7 news

On Demand testing for maths and reading have been completed by the students. The results allow teachers to identify the needs of the students so that they can provide focussed learning opportunities.

Lunch time volley ball has started this week. This always results in strong competition and team development.

Students are designing and building model dragsters as an introduction to electronics in Design and Technology and have been making pizzas in Foods.

Tracey Burton

Year 7 Team Leader

Year 8 News

Year 8 students are currently engaged in targeted teaching. In science they have been exploring elements and periodic tables, they have completed experiments that involve creating compounds from elements and finding carbon in elements. Humanities has a learning focus on Asia Pacific and Antarctica, currently students are choosing and planning project tasks from the 'six thinking levels' and 'multiple intelligences'. Maths has established student ability levels and are revising their understanding of tables, BIDMATHS and its uses. English students have been engrossed in the text 'Lockie Leonard', they are improving their summarising and vocabulary skills while building reading comprehension.

Congratulations to student council representatives Aaron Katzer, Victoria Candy, Sam Dinan and Chloe Shorland we are sure they will represent the student body to the best of their ability.

A big thank you goes out to students and parents who donated money to the bush fire victims on our 'out of uniform day'. The staff in the year 8 area were both amazed and touched to see students donating so generously, some even giving their lunch money. What a great bunch of kids we have!

Year 8 Team

Year 9 News

Questacon Science show / The Duke of Edinburgh Program

Questacon is a travelling science show and will be available for year 9 students on March 12th during period 1, 2 & 3. This is a great opportunity for students to gain more experience about science and possible pathways. On the same day, students in year 9 will also be part of a presentation on the Duke of

Edinburgh award program. After this students will be able to start working on the program.

Maths Tutoring

Every Thursday and Friday lunchtime in the Senior Learning area Maths tutorial

classes are being offered. Seen in the photo is Dominic Deane receiving some assistance

from Mr Sampson.

Rubicon camp

During March 23rd to March 27th, 24 students will be going off to the outdoor education camp. During the camp students will be able to complete the Adventurous Journey part of the Duke of Ed award. It would be appreciated if all payments be made at the office ASAP.

Oceans camp

At the same time as the Rubicon Camp, 17 students will be going down to Phillip Island for a week of adventure and excitement. They will study the marine environment and the huge variety of animals that live there.

Uniform

Most of our students are wearing the uniform with pride and are following the guidelines in their organisers. Some footwear is still an issue. As the weather is beginning to cool down, we encourage some forward planning for jumpers, etc. Parent support with our drive to have students in full uniform would be appreciated. If assistance is needed with uniform, please contact Paul Robinson, the Student Counsellor at the College.

Clean up Australia

by Jordan Ottrey and Shaun Hon,

On Friday the 27th of February, Echuca College participated in the Clean up Australia day. We left the school at 9:15 to go and clean up rubbish along the bank of the Campaspe River and the walking track. We cleaned up along the walking track from the footbridge to the Ogilvie Avenue Bridge. We split up into our year levels and went to pick up the rubbish. We collected many bags of rubbish and filled up $\frac{3}{4}$ of a skip. We were very proud of the amount of rubbish that we picked up but also very disappointed that there was so much rubbish in such a small

area. Let's hope that next year when we do this there is not as much rubbish to be picked up.

Pictured are; Rhonda Day from the Campaspe Shire, Rachael Binnie, Shaun Hon and Larni Williams

11T4 Glennys Main/Arindam Hajra - Sarah Key

11T5 Warren Duffy -Shantelle Cadan

11T6 Steven Abromovich - Matthew McAlpine

Students and staff have made a great start to the term. Over the next few weeks there are a number of major assessment tasks being conducted in most classes. It is important that all students are very conscious of their own time management and personal organisation.

During the first week of term, planners were given to all students at the College. Recently in Tutorial group, students were asked to complete a study planner. This requires students to plan out their week and build in time for study. It is the College's position that all Year 11 students should allocate up to ten (10) hours per week for completion of tasks that have been specifically designated as homework. These tasks should not be confused with unfinished class work. Please ask your son or daughter to show you their study plan, as parents are required to co-sign the document before it is returned to Tutorial Teachers.

Planning is underway for the Year 11 Melbourne Camp. The camp will take place in the second week of term 3. A number of students are assisting with planning the itinerary. We are hoping to provide an opportunity for some students to experience a work place during their stay in Melbourne.

At this stage we are looking to stay at Clermont House in South Yarra. www.hotelclaremont.com.au. Further information will be provided in up coming newsletters.

Sports News

Victorian Schools Team State Final Golf

On Friday the 24th of February, Kacey Heywood, Joel Norwood and Tom Moss travelled to Metropolitan Golf Club to represent the school in the State final.

With the course being in perfect condition after the Women's Australian Open, we all played reasonably well-

considering the conditions and on a course we never had played on before. We all enjoyed playing on Australia's best golf course, it was a fantastic experience. Scores for the day were Kacey 87/77, Joel 92/78 and Tom 92/78. Unfortunately we didn't make it to the National Final.

Big thanks to Kim Moss for the driving us down to Melbourne for the day.

Report written by Tom Moss.

Lawn Bowls Championships

Our Echuca College Lawn Bowlers ventured to Golden Square Bowling Club to play in the Northern Zone finals of the Victorian Secondary Schools Lawn Bowls Championships on the 26th of February. (Round robin of best of three games)

Ten students represented the college with various degrees of skill; the senior team who went through to the final last year in Melbourne, Darcy Elliott, Jamie Riedell and Troy McLean unfortunately failed in all three games.

The Intermediate team of Karl Miller, Josh Pattern and Tyler Lethlean were more successful with one win out of three.

The surprise of the day was the junior team of Jayden Twigg, Sam Dinan, Tim Day and James Deighton with very little experience, but wow, giant killers, won two games on the trot and played off in the final to just go down. Remember these boys played in the same division as the seniors and Intermediate

Well done to all.

Written by Dave Armstrong

SNR Boys Cricket

On the Friday the 20th February the senior boy's cricket team travelled to Kyabram. Upon arriving they discovered that the sprinklers had been left on overnight which left the wicket wet and parts of the ground. After losing the toss they were surprised when they were sent in to bat on a wet carpet pitch. Ky did not get off to a great start when opening bowler slipped over with the first delivery and having to bowl off a shortened run. Brad Jones did not take long to settle into the conditions and dispatched the opening bowlers to all parts of the ground. When Ryan Hon joined Jones at the crease the two continued to punish the Ky Bowlers with Hon smashing two consecutive sixes. He took on the field and found himself short to finish on 41 and Jones picking up runs at will. Echuca lost the next two wickets cheaply and when Jake Henson joined Jones they built a steady partnership until Jones was dismissed on 71. Trent Starkey joined Henson and combined well to get Echuca to 7/204 with Henson finishing on 35 and Starkey on 23. With the pitch now dry Echuca was confident of bowling Ky out. Tom Edgar started proceedings. The ball was swinging both ways and the Ky batsman struggled to get bat on ball. Runs being hard to come by with great fielding by all, wickets started to fall and Ky found themselves bowled out in the 17th over for 79. Hon finished with 2/20 off 6 overs, Edgar 2/7 off 4 overs and Henson finished with 3/10 off 3 overs. This was a great day for the boys who go on to play Bendigo Snr Secondary on 11th March in Bendigo.

Debutante Ball

Echuca College School Council invite parents who may be interested in forming an organisation committee for this years debutante ball to attend a brief meeting on the 10th March at 4pm in the Crofton Street library. Please call Robyn MacLean (Crofton Street Campus Coordinator) on 5482 3366 if you would like to be involved but are unable to make this date.

Immunisation

Students in Year 7 and Year 10 are to be immunised on the 18th of March.

Immunisations cards have been sent home with these students. Parents are asked to complete and sign the cards and return them to the College asap. Please check with the campus office if you did not receive your child's immunisation card.

Year 7 students

Chickenpox – yellow card. This immunisation is recommended if your child has NOT had Chickenpox disease.

Hepatitis B – Red card. This is the first of a two dose immunisation.

HPV – Purple card. This is the first of a three dose immunisation for FEMALES ONLY.

Year 10 students

Diphtheria/ Tetanus/Whooping cough boostrix – Blue card is offered for all year 10 students.

Please note: All completed cards MUST be returned to the College. You must return the card(s) even if you are choosing NOT to have you child immunised.

Year 12 students

The Shire of Campaspe immunisation team have offered the FLUVAX TO our year 12 students. These will be available when they visit the school on the 18th of March 2009.

'Flu' can thrive in the community as the virus is easily transmitted from one person to person in close proximity. Influenza is characterised by the rapid onset of fever, muscle and body aches, headache, sore throat, cough and fatigue. Such an illness can be reduce performance at school. Getting the 'flu' can also be a costly experience with the cost of doctors bills and medications. The cost is \$23 per student and this amount can be paid to the school.

If your student is interested they should ask Mrs Gould, Mr Ridge or Mrs Jones for a parent permission form.

Instrumental Music Report

The Performing Arts Complex is a buzz with almost 100 students taking instrumental music lessons in brass, woodwind, drums, piano, guitar and singing. We look forward to many exciting performances throughout the year.

Thanks to those who have returned their 'Instrumental Music Enrolment Form'. The remainder must be returned to the Performing Arts Office by Wednesday 11th, March please.

Cheers,

Jenny Grover - Instrumental Music Coordinator.

Maths homework classes

Maths homework classes for Crofton Street will run from:

Monday lunchtime from 1:05 pm to 1:35 pm

Tuesday after school from 3:30 pm to 4:30 pm

Thursday after school from 3:30 pm to 4:30pm

in the Maths Wing, Room 20A

Thanks

Cheryl Watson

Year 7 Welcome BBQ was well attended on the 24/2. It proved to be a great opportunity for staff and parents to talk in an informal, casual setting. Thanks to the staff who cooked, cleaned, helped set up and packed up as well as the many families who attended.

World's greatest shave

Echuca College is having their "SHAVE & DYE" day on Friday, March 13th, @ Crofton St & College Dr at lunchtime.

We are fortunate to have the following teachers/students on our Echuca College Baldies Team:

	Shaving	Colouring
College Drive	Dee Richardson Mark Bailey	Courtney Peters Carlie Leech Yana Ferrier
Crofton Street	Steve Abramovitch Sharon van de Zand Warren Duffy Stewart Cheal Chris Jennings Tom Edgar (Student)	Karl Stenning Ally Grenfell Dave Pearson Debbie Dunn

It's one of Australia's biggest fundraising events. 100,000 people across the country will pledge to shave or colour their hair to raise funds for people living with leukaemias, lymphomas, myeloma and related blood disorders.

The money we raise from the Leukaemia foundation World's Greatest Shave will directly support patients and their families when they need it most. Our fundraising will provide them with a free 'home-away-from-home' near hospital during their treatment. It will also mean the Leukaemia Foundation can transport them to appointments and provide as much practical assistance and emotional support as we can, all free of charges. The money will also go towards research into better treatments and cures.

Please give generously.

If you wish to donate please go to the following website below and follow the links (listed below), otherwise we will be rattling tins on the day, or you can give money/cheques to the individual members who can issue you with tax deductible receipts.

<http://www.worldsgreatestshave.com/>

Go to 'Sponsor a shaver' and enter our team name which is the Echuca College Baldies, or you can sponsor an individual member.

ECHUCA COLLEGE ROCK EISTEDDFOD

CONGRATULATIONS

'GREED'

CONGRATULATIONS TO THOSE STUDENTS ON SUCCESSFULLY OBTAINING A PLACE IN OUR ROCK EISTEDDFOD THIS YEAR.

Unfortunately, not all students can be chosen, however as only year 7 and 8 students missed out this year they have plenty of opportunity to gain a place in forthcoming years!

Nurse's News.

PREMIER'S ACTIVE FAMILIES CHALLENGE

The Premier's Active Families Challenge is a program run by the Victorian Government as part of the 'Go for your life' initiative to improve the physical activity levels, health and wellbeing of families.

The first year of the Challenge was a huge success with tens of thousands of Victorians participating. The program provides an opportunity for families to participate in a physical activity Challenge that's fun, easy, accessible and worthwhile.

Who?	The Challenge is for all types of families and for all Victorians.
Why?	To encourage families to be more physically active, have fun and spend more time together.
When?	To complete the Challenge, families need to do 30 minutes of physical activity for at least 30 days between 8 March and 19 April 2009.

Families have six weeks to complete their 30 days and can do the activity on their own or as a family.

Families who register and complete the Challenge have the chance to win a range of great prizes as well as up to \$3,000 worth of sporting equipment for their school (primary only).

As a registered participant you'll get ideas on fun things to do, tips on getting healthier and more active, events to get involved in and a chance to win prizes. You will also receive offers such as 15 free visits to YMCA and 15 per cent off at Rebel Sport stores.

Registrations are now open!!

- Register online www.goforyourlife.vic.gov.au or contact the 'Go for your life' Infoline on 1300 73 98 99. This is a great opportunity for families to increase their activity and be rewarded for it as well. I would strongly encourage everyone to register and participate in the 'Premier's Active Families Challenge'.

Reach Out!

www.reachout.com.au is a web-based information and referral service for young people, and has been designed to help them to help themselves through tough times. The aim of the service is to improve young people's mental health and wellbeing by providing support information and referrals in an appealing format. It contains three subsites - Chill Out!, Family & Friends and Professional Forum - and a map-based database, Who Cares?

Going back to school can be an anxious time. Reach Out! has some tips for making the experience an easier one.

Bush Fires

And the recent bushfires in Victoria may give rise to a range of emotions, or you might have some specific informational needs. You might find this useful. For more comprehensive information on the bushfires and to find out more about how you can help, you should visit the Better Health Channel website www.betterhealth.vic.gov.au.

Cheers!

Denise

**OPERATION ROCK – 14th march
 BUSH FIRE RELIEF CONCERT**
 The Echuca Moama Music Festival Inc is proud to announce "Operation Rock", the ultimate Rock Tribute Show featuring 6 of Victoria's hottest tribute bands performing together to help raise funds for the victims of the "Black Saturday" bush fires.

The bands that will be performing include
 Def Repplica – Def Leppard
 The Australian Queen Tribute – Queen
 Van Hager – Van Halen
 Poisoned – Poison
 War Pigs – Black Sabbath
 AC/DSHE – AC/DC .

Some local bands will also be providing some pre-concert entertainment.

This event has been structured as a family event, and ticket prices have been kept to a minimum for the size of this concert due to the many sponsors we have attracted for this show. Prices are \$15 for adults, 12 – U18's \$8, U12's, families \$35. All profits will be directed to the Bush Fire Appeal Fund through the Bendigo Bank.

Volunteers are needed at the College Drive Canteen

Please call Jeanette on 5482 1133 if you can assist.

Also just a reminder to our other wonderful volunteers, that you must sign In/Out at the office before reporting to Canteen duty.
