

DEVICE Portal 2023

The Centre Com device portal provides a secure process for parents to purchase and maintain high quality education accredited products for their families.

Who chooses the products for my child's school?

Our Centre Com education specialists works with your school's staff to select the right products for the education program for your school. These are tested at the school to ensure they are the best priced products for your child.

Why are education accredited products important?

Products accredited for education use are specifically designed for school education programs. They have robust features, increased battery life, extended warranties and service arrangements. They are authorised to have educational software installed.

Generally retail products are built to different

How does the portal work and what do I need to do?
